

Sotaville®
Industrial Distributor™

SOTAVILLE PROFILE

Advance - Achieve - Contribute

OPEN LETTER

Sotaville®
Industrial Distributor™

Sotaville Joint Stock Company was established on March 6, 2015. Sotaville is a pioneer distributor in the field of chemicals, electronics, safety equipment and protective equipment.

We are always evaluated by domestic and foreign partners: "Reputable supplier - reliable partner" with quality products and professional services in the field of chemical distribution, electronic products and protective equipment on the national market. Currently, Sotaville is the official distributor of big brands such as Bosch, Milwaukee, Dupont, Honeywell, Elvex, Ansell, NewPg, GVS ...

As a focal point of overall supply for manufacturing plants, we look forward to making more contributions to the field of industrial production and improving service quality to help our customers feel satisfied, taking time to focus for efficient production and business, saving time and money.

Let Sotaville bring customers the best solutions with products of clear origin and use optimally as recommended by the manufacturer to join hands to build and develop.
