ABOUT EXCELPPOINT

About Excelpoint Technology Ltd. (Company Registration No. 200103280C)

Bloomberg Code: EXLP:SP / Reuters Code: EXCE.SI / SGX Code: BDF.SI

Excelpoint Technology Ltd. (the “Company”) and its subsidiaries (“Excelpoint” or the “Group”) are one of the leading regional business-to-business (“B2B”) platforms providing quality electronic components, engineering design services and supply chain management to original equipment manufacturers (“OEMs”), original design manufacturers (“ODMs”) and electronics manufacturing services (“EMS”) in the Asia Pacific region. Excelpoint Technology Ltd. has been recognised in the Top 25 Global Electronics Distributors and Top Global Distributors lists by EBN (a premier online community for global supply chain professionals) and EPSNews (a US premier news, information and data portal and resource centre for electronics and supply chain industries) respectively.

Excelpoint works closely with its principals to create innovative solutions to complement its customers’ products and solutions. Aimed at improving its customers’ operational efficiency and cost competitiveness, the Group has set up research and development (“R&D”) centres in Singapore, China and Vietnam that are helmed by its dedicated team of professional engineers.

Established in 1987 and headquartered in Singapore, Excelpoint’s business presence spans over 40 cities in more than 10 countries with a workforce of more than 650 employees.
